## PROFESSIONAL EXPERIENCE

### HNG Internship, UX Design Intern

May 2020 – Aug 2020

Lagos, Nigeria

- Selected as one of the 200 finalists and 40 designers out of 11,000 interns that participated in the program.
- Effectively worked with a team of developers on a mobile app project, MyNetWorth: the app records assets, money and debts and shows how rich a user is.
- Independently initiated and built an idea of a futuristic app, BeSilent: the app automatically puts the user's phone on silent mode based on his/her location.
- Worked with a team of developers to build the website for the next set of HNG internship applications.

### AIESEC Lagos, Sales Development Manager

Feb 2020 – Aug 2020

Lagos, Nigeria

- Feedback analysis for Quarter 1 gave an average of 60% improvement in personal development of my team members.
- Managed the teams responsible for product delivery and sustainability of AIESEC Lagos internally and externally, facilitating the creation of conversion strategies for the functional area.
- Facilitated the relationship between AIESEC Lagos and other local communities on the global level and ensure Global Volunteer customer flow is implemented and properly tracked.
